

CINCINNATI PARKS
FOUNDATION

2022

ANNUAL REPORT

Our Mission

Our mission to enhance and improve YOUR Cincinnati Parks drives everything we do: from conserving, to enhancing and improving, to activating parks with free and accessible programs. Your dollars are making an incredible impact in Cincinnati.

REVITALIZING A WEST END PARK

Joining the community for an exciting dedication

We dedicated the Ezzard Charles Project and advocated to rename Laurel Park to become the namesake of this city hero. The project erected a new piece of public art, created an accessible plaza, park benches, more than 100 trees, fitness loops and an interactive web app to mimic the Cincinnati Cobra's running route.

GROWING THE URBAN TREE CANOPY

Planting over 1,000 trees across Cincinnati

With our support of Cincinnati Parks' Fall ReLeaf Program to our partnerships with MadTree Brewing and Dynegy, we helped to provide 1,000 trees to city residents across all 52 neighborhoods of Cincinnati, with a focus on underserved communities.

REMOVING 250+ BAGS OF LITTER IN YOUR PARKS

ObLITTERators

From Mt. Echo to Inwood Park, Martin Luther King Park, Mt. Airy Forest to Ezzard Charles Park – Cincinnati Parks Foundation created the ObLITTERators program to help remove litter in and around your Parks, rallying volunteers and community groups in the process.

ACTIVATING NEIGHBORHOOD PARKS WITH CPAC GROUPS

Program funding

Cincinnati Parks Foundation provided grant funding to more than 20 CPAC groups to provide meaningful programming in their neighborhood parks, from free movies, to yoga, and concerts. We invested more than \$200K to provide free programs throughout Cincinnati Parks.

RENOVATING AND REIMAGINING PARK ASSETS

Pickleball courts grand opening

We worked with hundreds of private donors and Cincinnati Parks to renovate the tennis courts at Sawyer Point with brand new pickleball courts, an adaptive reuse of the space. The project funded a new state of the art surface, LED lighting, new nets and more and inspired the creation of a year-round program led by volunteers.

ENSURING EQUITABLE ACCESS TO THE GREAT OUTDOORS

Adaptive programming

From expanding our award-winning be.well programs in partnership with Cincinnati Children's Hospital, to creating Everybody in Mt. Airy, a new adaptive hiking program in partnership with Luke5Adventures, we're making sure everyone can access our great outdoors.

Directors & Officers

OFFICERS

Daniel D. Vogelpohl	<i>President</i>
Brian L. Tiffany	<i>Vice President</i>
Cynthia Henderson	<i>Treasurer</i>
Deana Taylor-Brewer	<i>Secretary</i>
Lisa Diedrichs	<i>Director at Large</i>
Fay Dupuis	<i>Director at Large</i>
Harry J. Kangis	<i>Director at Large</i>

DIRECTORS

Mary Jo Bazeley	Joseph H. Evelo	Edna Keown	Rosemary Schlachter
Michael Betz	Susan Abernethy Frank	Kelly Kolar	Christine Schaub
Susan Brenner	Dean Gregory	Matthew McGaha	Sheila Simmons
Jonathon Bresnen	Aric Hassel	Randy Noah	Kerry Stetter
Kelly Brown	Lucy Hodgson	R. Warner Off	Jane Reed Terrill

CINCINNATI PARKS
FOUNDATION

TOGETHER, WE CAN ALL DO MORE IN CINCINNATI PARKS.

Through our projects and programs, our parks become living legacies, our greenspaces promote sustainability, and our visitors and volunteers become advocates, stewards and donors. Thriving parks lead to thriving communities and a thriving city.

For more information on how you can support Cincinnati Parks, including legacy gifts, please contact **Lindsay Wilhelm.**
